Recovery Summit

Celebrate Recovery is having its annual summit at Saddleback Church in L.A. the third week of August. Berta Rogers, Sue Eyster, Yvonne Lipe, Cindy & Clark Peters, and Wally will be attending. They will leave Sunday night, August 12 and return Saturday, August 18.

All Church Campout

Join us in the great outdoors August 17th, 18th & 19th for a great weekend of fresh air, campfires, Christian Fellowship, bright stars and the Word of God. We have reserved a group campground near Cloudcroft and have plenty of room for all.

The cost of \$10.00 per person or 25 per family includes dinner Friday night, breakfast and dinner Saturday and breakfast Sunday morning, lunches are on you own. Both tents and campers are allowed. See Allen or Elizabeth Miller for more information.

Sermon Series

The sermons in August will be tracing God's work through the nation of Israel. From the founding, through their disobedience, to the establishing of the modern nation of Israel, and then what is set in scripture for the future of Israel.

Is the Israel of today the same as the Israel of the Old Testament? What about the Battle of Armageddon? Other things will be discussed in this study so bring your friends.

Labor Day Retreat

Plan to attend the church retreat Labor Day weekend, August 31-Sept. 3. The theme will be "Remaining focused on God in spite of circumstances." We will be looking at people in the Bible and how they remained Godly as well as modern day examples.

The cost for the weekend is \$150 per person, half price for students, and children 5 and under free. The rooms sleep a family, are motel style, and now have refrigerated a/c. The cost includes 8 meals and 3 nights accommodation. Both pools will be open, the hot tub, and water volleyball. The canoes and paddleboats are on the river and fishing is allowed. The facility is usable for wheelchairs and easy walking so it is good for all ages. Mark this down on your calendar.

This is just a great time to spend with God and get to know others from the church.
